PETER HAMBRO MINING PLC EXERCISE OF GREENSHOE ON GOLD EQUIVALENT EXCHANGEABLE BONDS OFFERING

Peter Hambro Mining Plc (the "Company"), announces that further to the announcement made on 5 October 2007, the greenshoe of US\$10m for the Gold Equivalent Exchangeable Bonds due 2012 (the "Bonds") has been successfully exercised in full, taking the total issue size to US\$180m.

The Bonds will be issued at par by the Company's wholly-owned subsidiary Peter Hambro Mining Group Finance Limited (the "Issuer") and will be guaranteed by the Company. The Bonds will carry a coupon of 7% per annum payable semi-annually in arrear and will be exchangeable at the option of the holders into the cash equivalent at the time of the exchange of (in aggregate) up to 180,000 Troy ounces of gold at any time from the second anniversary of the settlement of the bonds up until 20 days prior to the maturity of the Bonds. The Issuer has the option to call the Bonds at par plus accrued interest after the fourth anniversary of the settlement provided that the London afternoon gold price fixing reaches a level of US\$1,500 per Troy ounce, with investors retaining the right to convert within the call period up to the fifteenth day before the date fixed by the call for redemption. If not exchanged or previously redeemed the Bonds will be redeemed at par on or about 19 October 2012.

Application has been made for the Bonds to be admitted to trading on the Channel Islands Stock Exchange, but not on any other stock exchange.

The Company intends to use the net proceeds of the offering for the development of its Malomir deposit and its Yamal assets, the modular enlargement of its processing facilities at Pioneer and to fund the exploration and development of a number of other assets within the Group's portfolio.

JPMorgan Cazenove Limited is acting as the sole bookrunner of the offering and is joint broker to the Company. Cannacord Adams Inc. and VTB Bank Europe plc are acting as co-lead managers. Settlement is expected on or about 19 October 2007, following receipt of the necessary consent to the raising of the proposed funds from the Guernsey Financial Services Commission.

JPMorgan Cazenove Limited may, to the extent permitted by applicable law, over-allot and effect other transactions with a view to supporting the market price of the Bonds at a higher

level than that which might otherwise prevail in the open market. JPMorgan Cazenove Limited is not required to enter into such transactions. Such activity if commenced may be discontinued at any time. In connection with the offer of Bonds, the Company and the Issuer have agreed to over-allotments being made and the Issuer agreed to issue the additional Bonds referred to in this release to satisfy such over-allotments if required at the option of JPMorgan Cazenove Limited.

Note: this announcement updates and corrects the announcement made on 5 October 2007 where it was stated that the upsized issue size of US\$170m, with a greenshoe of US\$10m could be exchangeable in aggregate into the cash equivalent of 150,000 Troy ounces of gold. This announcement states that the US\$180m issue size can be exchangeable in aggregate into the cash equivalent of up to 180,000 Troy ounces of gold.
